## About this booklet

There are two parts to this booklet. The first part is Important Information about this Policy including information about how we'll protect your privacy and how to make a complaint or access our dispute resolution service.

The second part is your Policy Wording which sets out the detailed terms, conditions and exclusions of the Policy.

Because we don't know your own personal circumstances, you should treat any advice in this booklet as purely general in nature. It doesn't consider your objectives, financial situation or needs. You should carefully consider the information provided with regard to your personal circumstances to decide if it's right for you.

This booklet is also a Product Disclosure Statement (PDS). Other documents you receive may comprise the PDS. You'll know when this happens because it'll say so in the document.

We may need to update information in this PDS. If we need to do this, we'll either send you a new PDS or a supplementary PDS. You can also get a copy of these simply by calling us.

## Important Information

In this first part of the booklet we explain important information about this Policy including how we'll protect your privacy and how to make a complaint or access our dispute resolution service.

### Your sum insured may not be adequate

The Policy provides replacement or reinstatement conditions for home and contents which means that claims are settled without contribution for age, depreciation or wear and tear. It is important that the sums insured you select cover the cost of replacing your home and contents on a new for old basis. The sums insured that you select must make allowance for structural improvements (such as sheds, pergolas, and fencing), GST. It is recommended that you use the free, sum insured calculator, available on our website to determine your building sum insured.

It is important that you read the sub-limits in the terms and conditions for items such as works of art, items of jewellery and collections. If you have any of these items that will cost more than the sub-limit to replace, then you will need to nominate them to ensure that they are covered for more than the sub-limit.

For example, there is a sub-limit on jewellery of \$5,000 per item, and in total, 25% of the contents sum insured. If it would cost more than this to replace your jewellery as new, then you must specify your jewellery item(s) to ensure that you are covered for your jewellery's full value.

### The cost of this Policy

Premium is what you pay us for this Policy and it's made up of the amount we've calculated for the risk and any taxes and government charges.

When calculating your premium we take a number of factors into account, including:

- where the home or contents are located,
- the sum insured, and
- your previous insurance and claims history.

Some rating factors do not affect all components of the premium calculation. For example, age discounts, retiree discounts, no claim bonus and loyalty discounts do not apply to the parts of the premium paid for liability cover or flood cover.

## Cooling off information

If you change your mind within 21 days of buying your Policy, you can cancel it and receive a full refund. Naturally, this doesn't apply if you've made or are entitled to make a claim. Even after the cooling off period ends, you still have the right to cancel your Policy. However, we may deduct some costs from any refund, as set out in the Policy Wording under 'Cancelling your Policy'.

To cancel your Policy within the cooling off period, contact EBM.

## How we will pay Home

At our option we will:

- repair the home, or
- replace the home to a condition substantially the same as, but not better than when new, or
- pay the reasonable cost of its repair or replacement to a condition substantially the same as when new, or
- pay up to the sum insured shown on your Policy Schedule.

If your home is damaged beyond economic repair, we will pay no more than the reasonable cost of replacement when new even if you have insured for an amount greater than the reasonable cost of replacement when new. When we pay your claim for your home being damaged beyond economic repair, the Policy is exhausted and comes to an end.

You may choose to have the home replaced at another site, but we do not pay more than the sum insured.

If your home is damaged beyond economic repair and you do not commence rebuilding within 6 months of the damage occurring, (or any other period which we agree with you in writing) you may have to pay any increase in cost caused by your delay.

If part of a home is damaged by an insured event and we agree to pay your claim, we pay only for the part or parts of the home that actually sustained damage. We do not pay to replace any undamaged materials.

However, if:

- it is impossible to acquire new material to replace the damaged material that reasonably matches the undamaged portion to a similar extent as immediately prior to the damage occurring, and
  - the amount of damaged material that cannot be matched to the undamaged material is more than 40% of the total material that would have to be replaced if all the matching damaged and undamaged material was replaced, then we will replace both the damaged and undamaged material.
-

### Example 1

There are 300 matching white, wall tiles in the bathroom. As a result of a burst pipe, eight bathroom wall tiles are damaged. We would pay only the reasonable cost to repair or replace the eight damaged tiles to a condition substantially the same as when new.

(In addition, we would pay for damage sustained in locating the leak under Insured event (h) in the table under the heading 'What you are insured against, and what you are not'.)

### Example 2

There are 300 superseded, matching, wall tiles in the bathroom. As a result of a burst pipe, 140 wall tiles are damaged. It is impossible to locate tiles that reasonably match the remaining 160 tiles. Over 40% of the matching wall tiles have been damaged. Therefore, we would pay the reasonable cost to repair or replace all 300 tiles (140 damaged and 160 undamaged) to a condition substantially the same as when new. We would be entitled to keep the 160 undamaged wall tiles by way of salvage. We would not pay to replace any tiles located in a room other than where the loss or damage occurred.

Where materials that are required to settle a claim that we agree to pay are not commercially available in Australia, at our option, we will:

- replace the material with the nearest equivalent or similar new materials available in Australia or overseas, or
- pay the cost to replace the material with the nearest equivalent or similar new materials available in Australia or overseas.

### **Special benefit - Home sum insured safeguard**

If we agree that the cost to repair or replace your home is greater than your home sum insured, then we will pay up to 30% more than your home sum insured to, at our option:

- repair the home, or
  - replace the home to a condition substantially the same as, but not better than when new, or
  - pay the reasonable cost of its repair or replacement to a condition substantially the same as when new.
-

This Special benefit applies only if:

- (a) this Policy insures your home, and
- (b) your home is so damaged by an event that is insured by this Policy that it is considered by us to be a total loss, and
- (c) the cost to repair or replace your home is greater than your home sum insured because either,
  - (i) the increased cost of repairing damage to your home was caused directly by a Catastrophic event, or
  - (ii) you correctly used the QBE Home Building Sum Insured Calculator on the QBE Website located at [www.qbe.com.au/isc](http://www.qbe.com.au/isc) to calculate your Home sum Insured and the calculator estimated an inadequate sum insured for your home, provided;
    - › that you can demonstrate that you correctly used the QBE Home Sum Insured Calculator to determine your home sum insured, and
    - › your home is substantially the same as when you used the QBE Home Sum Insured Calculator (for example, you have not added to nor extended your home), and
    - › you have not reduced any sum insured that we have offered on any renewal invitation since you used the QBE Home Sum Insured Calculator.

Catastrophic event means a suddenly occurring, major, natural disaster that is insured by this Policy, where the resultant damage to property in the vicinity of your home and generally is so extensive and widespread that the resultant surge in demand for the materials and labour required to repair buildings causes a surge in the prices of building repairs.

This Special benefit only relates to the home. It does not apply to any other insured property, Policy section, Additional benefit or other Policy feature.

## How we will pay Contents

(a) At our option we will:

- › repair the damaged items, or
- › replace the items with items substantially the same as, but not better than when new, or
- › pay the reasonable cost of repair or reinstatement to a condition substantially the same as, but not better than when new, or
- › pay up to the sum insured shown on your Policy Schedule.

If your contents are damaged beyond economic repair, we will pay no more than the reasonable cost of replacement when new even if you have insured them for an amount greater than the reasonable cost of replacement when new. When we pay your claim for all your contents being damaged beyond economic repair, the Policy is exhausted and comes to an end. We will not pay more than the total contents sum insured for all contents lost or damaged.

- (b) If we agree to pay a claim where film, photos, home movies or home videos or any similar recorded material is destroyed, we pay for the replacement with new, blank film, videos or similar (e.g. If a compact disc upon which you had photos stored is destroyed, we would replace it with a new, blank compact disc). We do not pay to reconstruct any circumstances or conditions.
- (c) If we agree to pay a claim where software is lost, damaged or destroyed, we pay the cost to replace it with the nearest equivalent new software. We do not pay for any software that was acquired by you at no cost.
- (d) Where an item required to settle a claim that we agree to pay is not commercially available in Australia, at our option, we:
- › replace the item with the nearest equivalent or similar new item available in Australia or overseas, or
  - › pay the cost to replace the item with the nearest equivalent or similar new item available in Australia or overseas.
-

**(e) Floor and wall coverings, blinds and curtains**

For wall coverings, and carpets and other floor coverings, curtains and internal blinds, we pay only for items in the room, hall or passage where the damage occurred.

**(f) Pairs and Sets**

A 'pair or set' means two or more articles, the collective value of which exceeds the sum of their individual values. In the event of a total loss of any article or articles which are part of a pair or set, we agree to pay you - at your option, exercisable after the loss - the full amount of the value of such pair or set, and you agree to surrender the remaining article or articles of the pair or set to us.

If you elect not to surrender the remaining article(s) of the pair or set to us, then we pay no more than the actual value of the item. We do not give any allowance for any special value it may have as forming part of a pair or set, or for any reduction in value of the remaining part or parts.

We will only pay the cost of replacing the item even though the pair or set to which it belongs is less valuable because it is incomplete.

- (g)** The maximum we pay on the following contents items is shown in the table below. You may obtain higher limits (except for cash) by having any of these items specified on your Policy Schedule. Additional conditions may be imposed, for example, it may be required to keep items in a safe when not being used. We will pay up to the amount specified for each item.

Contents where a maximum limit applies	Maximum limit
(a) Items of jewellery, gold or silver articles, furs, watches.	\$5,000 per item and in total 25% of the sum insured for contents.
(b) Collections of stamps, money or medals.	\$10,000 per collection and in total 25% of the sum insured for contents.

Contents where a maximum limit applies	Maximum limit
<p>(c) Equipment, including business stock kept temporarily in the home, used by you or your family for earning income in your or their own business in the home other than equipment used as part of an office or surgery</p>	<p>\$5,000</p>
<p>(d) Accessories, or spare parts of motor vehicles (including motor cycles and motor scooters), caravans, trailers and watercraft not in or on the motor vehicle, caravan, trailer, or watercraft. We include motor vehicle keys, remote locking or alarm devices as accessories while they are not in or on the motor vehicle but we do not pay for any re-coding of devices or changing of vehicle locks.</p>	<p>\$1,500 per item up to \$2,500 in total.</p>
<p>(e) Cash, coins, negotiable instruments or bullion.</p>	<p>\$1,200 in total.</p>
<p>(f) Storm or flood damage to or theft of contents in the open air.</p> <p>Open air is restricted to the site and includes:</p> <ul style="list-style-type: none"> <li>○ any area without a fixed covering such as a ceiling or roof that entirely covers a fully enclosed and lockable area or lockable structure, and</li> <li>○ non lockable parts of the home.</li> </ul> <p>For example, the back yard would be considered the open air even if it is surrounded by a fence and has locked gates because it has no roof or ceiling.</p>	<p>The greater of:</p> <ul style="list-style-type: none"> <li>• \$5,000, or</li> <li>• 8% of your unspecified contents sum insured, but this limit does not apply to spas or above-ground swimming pools saunas or spas.</li> </ul>

**Note:**

Where an item could be classified under more than one of the above maximum limits, (a) through to (f), the lower or lowest limit applies. For example, a piece of gold jewellery may be considered to be a work of art, however the jewellery sub-limit would be applied.

If we choose to pay to replace a specified item, we will pay no more than the amount that it would cost us to replace the item with an item substantially the same as, but not better than when new, even if you have specified the item for a higher amount, whether or not you have supplied a valuation. We have negotiated special arrangements with various suppliers to purchase items for less than retail cost. Premium is therefore based upon us replacing items at less than retail cost.

**Antiques**

Where we pay a claim for an antique item, and the market value of the item exceeds the cost of its replacement with a new item because of its antiquity and rarity, we will treat the market value as though it is the cost to replace the lost or damaged antique with a new item.

For example:

An antique sterling silver claret jug created in 1880 is stolen and we agree to pay the claim. The antique jug has a current valuation of \$11,000. To replace the item with the closest, similar new item would cost \$2,100. At the time of the loss, our enquiries indicate that to replace that antique item at market value would be approximately \$11,000 but there is no equivalent item currently for sale in Australia or overseas. The market value of the item is higher than the new replacement cost due to the item's antiquity and rarity. In this instance, we would pay you \$11,000 for the jug rather than \$2,100. The sum we pay you would be subject to any applicable excess.

## Section 3: Cover for your Legal Liability

### What you are covered against

#### If this Policy covers your home

If this Policy covers your home or, if the home is a strata titled residence and your contents are insured under this Policy, we insure you and any member of your family against any claim for compensation or expenses which you or the member of your family become legally liable to pay for:

- (a) the death of, or personal injury to, any person,
- (b) the loss of, or damage to, property,

resulting from an occurrence during the period of insurance arising out of the ownership of the home or occupancy of the home.

Under this section we include land, trees, shrubs and other plant life on the site as part of your home.

#### If this Policy covers your contents

If this Policy covers your contents and the home is your primary residence, we insure you and any member of your family against any claim for compensation or expenses which you or the member of your family become legally liable to pay for:

- (a) the death of, or personal injury to, any person,
- (b) the loss of, or damage to, property,

resulting from an occurrence during the period of insurance, anywhere in the world that is not related to the ownership of your home.

An 'occurrence' includes continuous or repeated exposure to substantially the same general conditions. We regard all death, personal injury or loss or damage to property arising from one original source or cause as one occurrence.

'Personal injury' means bodily injury, shock, mental anguish or mental injury, libel, slander or defamation of character, including death.

'Personal injury' does not include the publication or utterance of a libel or slander:

- made prior to the commencement of the period of insurance; or
-

- made by or at the direction of you with knowledge of its falsity; or
- relating to advertising, broadcasting or telecasting activities by or on behalf of you.

‘Bodily injury’ means physical bodily harm including sickness or disease that results from it and required care, loss of services, loss of consortium, and/or resultant death.

‘Damage to property’ means physical injury to or destruction of tangible property, including the loss of its use. Tangible property includes the cost of recreating or replacing stocks, bonds, deeds, mortgages, bank deposits and similar instruments but does not include the value represented by such instruments.

## Additional benefits - Liability

The ‘Motor vehicle liability’ and ‘Committee member of a social or sporting club’ additional benefits apply only when you occupy the home insured by this Policy as your primary residence or this Policy insures your contents in your primary residence.

### Motor vehicle liability

#### What we insure you against:

- (a) We insure you and any member of your family against any claim for compensation or expenses which you or the member of your family become legally liable to pay for:

- the death of, or personal injury to, any person,
- the loss of, or damage to, property,

arising from the ownership, custody, or use of:

- any vehicle which is a type that is not required to be registered by law,
- any motorised wheelchair,
- any domestic trailer not attached to any vehicle resulting from an occurrence during the period of insurance,

- (b) We also insure you or any member of your family against claims for:

- death or personal injury caused by you or your family solely as a result of you or your family being passengers in a registered vehicle,

- death or personal injury caused by any registered vehicle if the occurrence causing the death or personal injury takes place at the site, during the period of insurance.

### **When we do not insure you or your family**

#### **We do not insure you or your family:**

- (a) if you or your family are entitled to be wholly or partly insured by any compulsory statutory insurance or accident compensation scheme, or would have been, but for failure to register the vehicle or to apply for cover under the scheme or to comply with a term or condition of the scheme,
- (b) if you or your family are entitled to be wholly or partly protected by any other Policy of insurance which specifically covers the vehicle (except where this exclusion would contravene s.45 of the Insurance Contracts Act 1984 (Cth)).

### **Committee member of a social or sporting club**

#### **What we insure you against:**

We insure you and any member of your family against any claim for compensation or expenses which you or the member of your family become legally liable in Australia to pay for an alleged or actual act or omission arising out of your position as a committee member of a sporting club or social club.

We will not pay if you receive any payment or remuneration of any kind exceeding \$1,000 per year for holding the position.

The most that we will pay under this additional benefit in any one period of insurance is \$10,000.

#### **We do not insure you or your family against liabilities arising from:**

- (a) any act or omission for which you or your family receive reimbursement from the sporting or social club, or
  - (b) any act or omission which is committed or alleged to have been committed prior to the period of insurance commencing or after it has ended.
-

## **Liability cover for the site continues following a home total loss**

If your home is a total loss as the result of an insured event and your home Policy comes to an end, we will continue to provide you with this liability cover in relation to the site that your home formerly occupied until the earliest of:

- any construction commencing at the site,
- the sale of the site or any part of it,
- another Policy that includes liability cover being taken out in relation to the site,
- the commencement of construction of a home to replace the insured home at another site, or
- six months from the date of the damage that caused the total loss, or, the Policy expiry date, whichever occurs later.

## **Expenses incurred in attending court**

In addition to the limit of your liability cover, we will pay or reimburse you for reasonable expenses incurred in attending court in relation to a liability claim covered by this Policy at our request up to \$250 per day but excluding the first day, and up to a total of \$5,000 in any one period of insurance for proven income loss. We will only reimburse income loss for days on which you are not able to conduct any income-earning activity whatsoever.

If you are:

- self employed or a working director, then 'income' means the gross daily income from such personal exertion after allowing for the costs and expenses incurred in deriving that income;
- an employee, then 'Income' means the gross daily income from personal exertion, excluding overtime payments, bonuses, commissions or allowances.

In each case the amount of your income will be averaged over the twelve months immediately preceding our request or such shorter period during which you have been so engaged. You must provide any documentation, records, correspondence or other information that we request in support of any claim for lost income.

---

## What you are not covered against

(Applies to 'Legal liability' and 'Additional benefits - Liability')

In this exclusion we consider that a person normally lives with you, if that person:

  - has lived with you in your home and intends or intended to use your home as their primary residence for 60 days or more out of any 90 consecutive day period (irrespective of the commencement date of the Policy) during which there is an occurrence,

  - the goods sold are second hand domestic goods sold in domestic quantities,
  - the sale does not form part of any business, trade or profession,
  - the goods sold at the garage sale by you or your family have not been purchased for the sole purpose of re-sale, and
  - you do not hold more than one garage sale per period of insurance. (A garage sale over one weekend would be considered as one garage sale.),
- (h) building work, construction or demolition of a building, including the home if the value of the work exceeds \$100,000,
-

- (i) death or personal injury to any person arising out of pregnancy or the transmission of any communicable disease by you or your family,

- (p) Gaining a personal profit or advantage that is illegal.
- (q) A conflict of duty or interest.

### **What we will pay**

- (a) We pay up to \$30,000,000 for any one occurrence.
  - (b) We do not pay more than this amount in total under all Policies we have issued to you which cover the same liability.
  - (c) In addition to this amount, we pay legal costs for which we have provided prior written approval.
-

## Section 4: Additional benefits

We give you the following additional benefits. For any additional benefits to be payable, you must suffer or incur the relevant loss, liability or damage during the period of insurance.

**The additional benefits will be paid in addition to the sum insured as listed on your Policy Schedule.**

### 1. Temporary removal of your contents

If this Policy insures your contents in your primary residence, we also insure them:

- in a bank or safe deposit, or
- for a period of up to 180 consecutive days while you or any member of your family is residing in any dwelling or residential flat, boarding house, boarding school, hotel, motel, residential club, nursing home or hospital, anywhere in Australia;
- if they are sporting equipment which is stored within a club room
- if they are your or your family's student personal belongings including sporting equipment whilst you or your family are away from home attending school, college or university.

We also insure the unspecified contents that you temporarily entrust to someone else for no more than 60 days, only for personal use at their address. We will not pay for claims:

- to contents that have been entrusted for more than 60 days, or
- for cash, negotiable instruments,
- contents for which we impose a sub-limit under, 'How we will pay - Contents', or
- portable electronic equipment (such as portable computers or mobile phones) that have been entrusted.

We also insure your contents when they are being carried by you or your family anywhere in Australia, excluding any cover for theft (apart from any cover under 'Additional benefit 2 - Robbery away from home').

---

Under this additional benefit we do not pay for any loss or damage to:

- (a) contents in a vehicle, caravan, tent, watercraft or aircraft as a result of storm, flood, rainwater, wind or impact by a vehicle;
- (b) property used in connection with a profession, trade or business
- (c) accessories and spare parts for motor vehicles, motor cycles, mini-bikes, caravans, trailers, watercraft, golf buggies, mobility scooter, surfboards, sail boards, surf skis, kayaks and canoes.

We pay up to 25% of the sum insured under contents on the Policy Schedule, however the sub-limits will also apply as set out in the table under 'How we will pay - Contents' point (g). (Contents temporarily entrusted are not insured if a sub-limit applies).

Contents are not covered for loss or damage if you have permanently removed them from the home, other than as provided under 'Additional benefit 9 - Change of site'.

## **2. Robbery away from home**

This additional benefit applies if this Policy insures your contents in your primary residence.

We will insure your handbag and/or wallet and personal effects contained in them if you are assaulted and robbed of your handbag and/or wallet while you are away from your home, if:

- (a) you (or if you are hospitalised, you or someone on your behalf) report the incident to police as soon as possible, or in any event within 24 hours of the assault, and
- (b) you can demonstrate evidence of an assault.

The maximum we will pay under this additional benefit is:

- (a) for the handbag or wallet, up to \$300 each,
  - (b) for personal effects contained in the handbag or wallet, excluding cash and negotiable instruments, up to \$300,
  - (c) for cash or negotiable instruments contained in the handbag or wallet, up to a maximum of \$400,
  - (d) a total of \$1,000 in any period of insurance.
-

### 3. Fees

If this Policy insures your home, and:

- it is damaged as a result of an insured event, and
- we agree to pay a claim, we pay any reasonable fees which we have approved and which are incurred directly in relation to repair or replacement of your home.

### 4. Removal of debris

If this Policy insures your home, and:

- it is damaged as a result of an insured event, and
- we agree to pay a claim,

we pay the reasonable costs of demolition and removal of debris from the site to the nearest authorised facility.

If the damage is caused directly by a fallen tree that has, as a result of the insured event, become debris, we will remove the tree from the site. We will remove a standing tree or branch that formed part of the tree that caused the insured damage only if:

- (a) we agree that the remaining tree or branch is unsafe,
- (b) the remaining tree or branch only became unsafe as a direct result of the insured event causing damage to the tree, and
- (c) all necessary approvals have been obtained and removal of the tree or branch would not result in a breach of any laws, by-laws, regulations or contractual obligations.

We will remove a stump that formed part of the tree that caused the insured damage only if:

- (a) all necessary approvals have been obtained and removal of the stump would not result in a breach of any laws, by-laws, regulations or contractual obligations, and
- (b) not removing the stump would interfere with repairing or replacing the damaged part of the home required to settle your claim.

We will also pay the cost of removing and disposing of the fallen tree or parts and treatment of the stump to prevent regrowth.

---

## Section 5: Options you can choose for additional premium

The following options may be obtained on application, and for an additional premium:

1. Valuables.
2. Domestic Workers' Compensation.
3. Malicious damage and theft by tenants, tenant's visitors or family.

### 1. Valuables

If you have selected and paid for this valuables option, we insure you and your family against accidental loss or damage to unspecified or specified valuables items:

- that happens anywhere in Australia or New Zealand, or
- for up to 100 days in any one (1) period of insurance anywhere in the world.

You can choose to insure your valuables as either:

- unspecified valuables, or
- specified valuables.

Your Policy Schedule indicates whether you have chosen this option and whether you have selected unspecified valuables or specified valuables. You can select unspecified valuables without having to specify individual items. If you select unspecified valuables, you are required to nominate a total unspecified valuables sum insured. Each individual item is then insured for a maximum of the lower of that nominated sum insured, or, \$5,000.

There are some limitations below and under 'When you are not covered', which you must read.

### What we insure

#### What are valuable items:

- jewellery and watches,
  - items that contain gold or silver (this does not include items thinly covered with gold or silver),
  - collections of stamps, money or medals
  - sporting equipment and tools, except while in use or play,
  - camping equipment, back packs and sleeping bags,
-

- photographic equipment including video equipment,
- musical equipment not used for earning income,
- battery operated sound equipment,
- binoculars and telescopes,
- clothing,
- wheel chairs, crutches and walking sticks, motorised golf carts and ride on mowers, none of which require registration;
- prams or strollers,
- luggage,
- bicycles
- personal mobile cellular phones, portable computers,
- hearing aids, contact lenses, eye-glasses,
- surfboards, windsurfers, surf skis, kayaks and other watercraft that are less than 4 metres and do not require registration under state or territory legislation;
- other personal belongings specifically designed to be worn or carried on the person
- Special valuable and personal items which are specified on your Policy Schedule.

### **What are not valuable items**

The following items are not covered under this valuables option:

- motor vehicles (including motor cycles and motor scooters), caravans, trailers, aircraft, aerial devices, watercraft more than four metres long or anything associated with these items,
- watercraft less than 4 metres long that require registration under state or territory legislation;
- personal watercraft (for example, jet skis);
- unset precious or semi-precious stones,
- items thinly covered with gold or silver

### **How much we will pay for loss or damage**

(a) At our option we:

- repair the damaged item, or
  - replace the lost or damaged item with an item substantially the same as, but not better than when new,
-

- pay the reasonable cost of repair or reinstatement to a condition substantially the same as, but not better than when new, or
- pay up to the sum insured shown on your Policy Schedule against the item.

This means:

- if the loss or damage is to unspecified valuables, we will pay up to the total sum insured for unspecified valuables. Each individual item is insured for a maximum of, the lesser of the total unspecified valuables sum insured, or, \$5,000. (If you have items, pairs, sets or collections that are worth more than \$5,000, you can insure them under Specified Valuables).
- for specified items, we will pay up to the sum insured shown on the Policy Schedule against the item.

If we choose to pay to replace a specified valuable item, we will pay no more than the amount that it would cost us to replace the item with an item substantially the same as, but not better than when new, even if you have specified the valuable for a higher amount, whether or not you have supplied a valuation. We have negotiated special arrangements with various suppliers to purchase items for less than retail cost. Premiums are therefore based upon us replacing items at less than retail cost.

When we pay your claim for all your valuables on the Policy being damaged beyond economic repair (or not being recovered), the Valuables section of the Policy is exhausted and comes to an end.

- (b) If we agree to pay a claim where film, photos, home movies or home videos or any similar recorded material is destroyed, we pay for the replacement with new, blank film, videos or similar (e.g. If a compact disc upon which you had photos stored is destroyed, we would replace it with a new, blank compact disc). We do not pay to reconstruct any circumstances or conditions.
- (c) If we agree to pay a claim where software is lost, damaged or destroyed, we pay the cost to replace it with the nearest equivalent new software. We do not pay for any software that was acquired by you at no cost.
- (d) Where an item required to settle a claim that we agree to pay is not commercially available in Australia, at our option, we:

- replace the item with the nearest equivalent or similar new item available in Australia or overseas, or
- pay the cost to replace the item with the nearest equivalent or similar new item available in Australia or overseas.

**(e) Pairs and sets**

In the event of a total loss of any article or articles which are part of a pair or set, we agree to pay you - at your option, exercisable after the loss - the full amount of the value of such pair or set, and you agree to surrender the remaining article or articles of the pair or set to us.

If you elect not to surrender the remaining article(s) of the pair or set to us, then we pay no more than the actual value of the item. We do not give any allowance for any special value it may have as forming part of a pair or set, or for any reduction in value of the remaining part or parts.

We will only pay the cost of replacing the item even though the pair or set to which it belongs is less valuable because it is incomplete.

## **2. Domestic workers' compensation**

(Applicable only in States or Territories where 'Domestic workers' compensation' can be offered in conjunction with a Home and Contents Policy.)

Your Policy Schedule indicates whether you have chosen this option.

If you employ a domestic worker, on a casual basis or otherwise, you may be required by law to provide that person with Workers' Compensation insurance.

If you fail to do so, and your employee is injured in the course of their employment by you, you may be liable to compensate them.

Where shown on the Policy Schedule, this Policy includes 'Statutory Domestic Workers' Compensation' cover according to the Legislation in your State or Territory, up to the amount required by your State or Territory's Legislation.

When this cover is provided, the underwriter is: QBE Insurance (Australia) Limited ABN 78 003 191 035.

---

### 3. Malicious damage and theft by tenants, tenant's visitors or family

If you have selected and paid for this option it will be shown on your Policy Schedule. In return we will cover you against malicious damage and theft to your home or, contents or both, depending on which you have insured, caused by tenants, tenant's visitors or family.

We do not pay the cost of cleaning, redecorating, painting or wallpapering unless the tenant has caused actual damage to the structure of the building which makes it necessary to do so.

Any payment we make will be reduced by an amount equal to four (4) weeks rent, or \$500, whichever is the greater.

'Malicious damage by tenants, tenant's visitors or family' means a wrongful act by a tenant, tenant's visitors or family motivated by malice, vindictiveness or spite with the intention of damaging the property.

There is no cover for:

- damage occurring during or as a result of any maintenance, repairs or attempted repairs carried out by the tenant or anyone acting on their behalf;
  - damage caused by the failure of your tenant to control their children;
  - damage caused by pets belonging to your tenant;

-

## Section 6: What you must pay if you make a claim - Excess

'Excess' means the first amount you must contribute to any claim you make under this Policy.

We deduct the excess shown in the Policy or on the current Policy Schedule from the amount of your claim.

Where a sub-limit is applicable, the excess will be applied to the claim prior to applying the sub-limit. For example, if a ring worth \$6,000 was stolen from the home and it has not been specified, the \$5,000 per item jewellery sub-limit would apply. If a \$500 excess was applicable, this would be applied to the \$6,000 claim, rather than the \$5,000 sub-limit. Therefore, \$5,000 would be payable.

If the ring had been specified for \$6,000, we would pay \$5,500 - the \$6,000 claim less the \$500 excess.

If the stolen ring was worth only \$1,000, we would pay \$500 - \$1,000 less the \$500 excess.

For earthquake and tsunami claims the excess is \$250, or the excess amount shown on your Policy Schedule, whichever is greater. All loss, destruction or damage occurring within a period of 72 hours of the earthquake is regarded as the one (1) event.

For the 'Accidental damage extension - Additional benefit 21', the excess is \$5,000.

### **When you will not have to pay an excess**

You will not have to pay an excess if we agree to pay a claim as a result of damage that renders your home, contents or both beyond economic repair.

---

## Section 7: When you are not covered (General exclusions)

These general exclusions apply to all sections of this Policy.

This Policy excludes loss, damage, destruction, death, injury, illness, liability, cost or expense of any nature directly or indirectly caused by, contributed to by, resulting from, arising out of or in connection with any of the following, regardless of any other cause or event contributing concurrently or in any other sequence to the loss:

1. war, invasion, acts of foreign enemies, hostilities or war-like operations (whether war be declared or not), civil war, rebellion, revolution, insurrection, civil commotion assuming the proportions of or amounting to an uprising, military or usurped power, or
  2. any act(s) of Terrorism that is directly or indirectly caused by, contributed to by, or in any way involves or is connected with biological, chemical, radioactive, or nuclear pollution or contamination or explosion. For the purpose of this exclusion, an act of terrorism includes any act, or preparation in respect of action, or threat of action designed to influence the Government of the day or de facto of any nation or any political division thereof, or in pursuit of political, religious, ideological or similar purposes to intimidate the public or a section of the public of any nation by any person or group(s) of persons whether acting alone or on behalf of or in connection with any organisation(s) or Government(s) of the day or de facto, and which:
    - involves violence against one (1) or more persons; or
    - involves damage to property; or
    - endangers life other than that of the person committing the action; or
    - creates a risk to health or safety of the public or a section of the public; or
    - is designed to interfere with or to disrupt an electronic system.
  3. radioactivity or the use, existence or escape of any nuclear fuel, nuclear material, or nuclear waste or action of nuclear fission or fusion.
-

This Policy also excludes any loss, destruction, damage, death, injury, illness, liability, cost or expense of any nature directly or indirectly caused by, contributed to by, resulting from or arising out of or in connection with any action taken in controlling, preventing, suppressing, retaliating against, or responding to or in any way relating to 1, 2 or 3 above.

### **Sanctions limitation and exclusion clause**

You're not insured under any section of this Policy where a claim payment breaches any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of Australia, the European Union, United Kingdom or United States of America, or any local autonomous sanctions.

### **Additional exclusions applying to this Policy**

These Additional exclusions apply to cover for your home, contents, legal liability, additional benefits and valuables or malicious damage by tenants, tenant's visitors or family (if you have chosen these options).

#### **This Policy does not cover:**

- (a) loss or damage intentionally caused by you or a member of your family or a person acting with your consent or the consent of any member of your family;
- (b) loss or damage resulting from or caused by:
  - the lawful seizure, confiscation, nationalisation or requisition of the property insured,
  - destruction of or damage to property by any government or public or local authority,
  - the deliberate application of heat (for example, this would include where an element under or forming part of a ceramic cook-top causes damage to the cook-top),
  - inherent defects, structural defects, faulty workmanship, faulty design.

However, we will pay for resultant loss or damage that is caused directly by an insured event if you did not know about (or could not reasonably have known about) the defect, faulty design or faulty workmanship at the time of the loss. Under no circumstances will we repair the inherent defect, structural defect, faulty workmanship or faulty design that caused the loss, nor any loss that is

---

caused by the inherent defect, structural defect, faulty workmanship or faulty design that is not caused directly by an insured event. For example, if there is evidence that a defect previously caused damage, we will not pay any claim for further damage by an insured event arising from this defect.

For example; A previous owner had electrical wiring installed that was faulty and there was no way that you could have known about this. The faulty wiring causes fire damage. We would cover the damage caused by the fire. We would not pay to replace the faulty wiring. If you knew, or could have reasonably known, that wiring was faulty at the time of the fire, then we would not pay for loss or damage caused by the fire.

Another example; A claim is made for water damage from a leaking roof. Upon investigation, it is discovered that there is evidence that the roof had leaked numerous times before due to faulty workmanship. If you could have reasonably known of the defect, no claim would be payable to repair the defect or the water damage.

- any gradual process,
  - wear, tear, rust, corrosion, depreciation or gradual deterioration,
  - fungus, mildew, mould, algae, atmospheric or climatic conditions (other than as described under insured event, (b) storm),
  - settling, shrinkage or expansion in buildings, foundations, walls or pavements,
  - the removal or weakening of supports or foundations for the purpose of alterations, additions, renovations or repair,
  - mechanical, electrical or electronic breakdown with the exception of fusion to electric motors as described under insured event (k) or as the result of a lightning strike under insured event (c) or as the result of power surge to domestic appliances under Insured event (m) (under 'Section 2: Cover for your Home and Contents - Insured events'),
  - loss of or damage to electronic data caused by electronic or mechanical derangement or malfunction or by a virus, or processing error,
  - any consequential loss other than that specifically provided by this Policy,
-

- any process of cleaning involving the use of chemicals,
  - rodents, vermin, or insects (at any stage of their life cycle).
  - For example: If a mouse was to chew through an electrical wire, which led to a fire, the damage caused directly by the fire would be covered by this Policy under insured event (a), however any damage caused by the mouse's chewing would not be covered by this Policy.
  - erosion, subsidence, landslide or earth movement other than as provided in insured event (n)
  - the action of the sea, high water, tidal wave.
- (c) loss or damage to:
- sporting equipment while in use or play
  - bicycles while they are being used for any competition or contest including racing, pace-making, time trial or hill climb
  - items for sale on consignment
- (d) any loss, damage, destruction, death, injury, illness, liability, cost or expense of any nature directly or indirectly caused by, resulting from, arising out of or in connection with any contagious or communicable animal disease.
-

## Section 8: General conditions

There are conditions set out in this General conditions section, in the Claims section and under each particular cover and section. If any of these conditions aren't met, we may refuse a claim, reduce the amount we pay or in some circumstances we may cancel your Policy. When making a claim, you must have met and then continue to comply with the conditions of your Policy. Any person covered by your Policy, or claiming under it, must also comply with these conditions.

If you, or someone covered under your Policy, don't meet these conditions or make a fraudulent claim we may:

- Refuse to pay your claim or reduce what we pay for your claim
- Cancel your Policy.

### Adjustment of premium on renewal

If a claim occurs in the previous period of insurance and you do not notify us until after the premium for the current period of insurance was calculated, then you must pay any additional premium that would have been calculated had you told us about the claim on the day that the claim occurred. This condition does not affect any other rights that we have, including the rights that we have under 'Your Duty of Disclosure'.

### Assistance and co-operation

At all times when you deal with us you must:

- Provide us with all reasonable assistance we may need
- Be truthful and frank
- Not behave in a way that's abusive, dangerous, hostile, improper or threatening
- Co-operate fully with us, even after we've paid a claim.

### Burglary protection

If any required burglary protection is noted on your Policy Schedule, we have agreed to insure your home and contents only if those burglary protection devices are installed.

If any of these devices is removed, altered, or left inoperative while you are absent from the site for more than 24 hours, without our prior consent, we may have the right to:

- decline, or
-

- reduce

a claim to which this action contributes.

### **Care and maintenance**

You must take reasonable care to prevent damage, injury or loss. We won't pay for damage, injury, loss or your liability to which your failure to take reasonable care is a contributing factor. At all times, you must:

- Prevent damage to property insured, as well as to others and their property
- Minimise the cost of any claim under your Policy
- Comply with all laws.

### **Changes to your circumstances**

You must tell us as soon as possible if circumstances occur, or if changes or alterations are intended or made which increase the risk of loss, damage or injury.

Examples include:

- you are having renovations undertaken,
- the home is left vacant or unoccupied for a period exceeding one hundred (100) days,
- the home falls into a state of disrepair,
- your home is opened up to the public for an exhibition or similar event (including if it is not for reward), or
- you are participating in a public exhibition (including if it is not for reward).

### **Other interests**

You must not transfer any interests in your Policy without our written consent.

Any person whose interests you've told us about and we've noted on your Policy Schedule is bound by the terms of your Policy.

### **Other party's interests**

You must tell us of the interest of all parties (eg financiers, lessors or owners) who'll be covered by your Policy. We'll protect their interests only if you've told us about them and we've noted them on your Policy Schedule.

---

## Strata title mortgagee's interest

This cover applies only if you have arranged this Policy to insure only the interest of a mortgagee in a strata title unit.

This cover only applies when you own part of a building that has been subdivided into strata, community or similar title units and you have a mortgage on that part of the building.

We will pay the mortgagee the lowest of:

- (a) the sum insured shown on the Policy Schedule,
- (b) the amount to repair the damage to a condition similar to but no better than when new,
- (c) if the body corporate (or similar) partially covers the loss, then the difference between what the body corporate insurance pays and the cost of the damage, or
- (d) the amount sufficient to discharge the mortgage held by you over the unit at the date of damage.

We pay only that part of the claim that applies to the interest of the mortgagee.

We only pay a claim if:

- (a) a claim would be payable under insured events (a) to (j) of this Policy (and not subject to any exclusion or other limitation in the Policy),
- (b) the Policy of the body corporate or similar does not apply or only partially covers the loss, and
- (c) the mortgagee requires you to discharge your mortgage.

If you have arranged this Policy to insure only the interest of a mortgagee in a strata title unit:

- (a) no additional benefits are payable under this Policy,
- (b) no legal liability cover is provided, and
- (c) no optional covers are provided.

## Unoccupancy

If your home will be unoccupied for more than one hundred (100) consecutive days, you must tell us and obtain our written agreement before it becomes unoccupied. We may adjust the premium and conditions including the excess that apply to your Policy.

---

If your home is unoccupied for a period of more than 100 days and you do not tell us, the cover for home and contents is limited as described below.

The excess applicable to your policy will be increased in addition to your home and contents excess, depending on how long your home has been unoccupied at the time of a claim. Your excess will be increased by the Unoccupancy excess as follows:

If the home is unoccupied:

- for a period from 100 consecutive days up to 180 consecutive days the Unoccupancy excess will be \$2,000.
- for a period from 180 consecutive days up to 365 consecutive days the Unoccupancy excess will be \$3,000.
- for any period exceeding 365 consecutive days the excess will be the greater of \$5,000 or 1% of the total home and/or contents sum insured.
- For example, if your home is insured for \$500,000 and your contents are insured for \$100,000, then the total of your home and contents sums insured is \$600,000.
- If your home is unoccupied for a period of more than 365 days, and you do not tell us about the home being unoccupied and a claim occurs, your additional Unoccupancy excess will be the greater of \$5,000, or 1% of \$6 00,000 = \$6,000. Therefore \$6,000 Unoccupancy excess will be applicable in addition to your home and contents excess.
- If your home and contents excess is \$500, then the total payable excess would be \$6,000 + \$500 = \$6,500

These increased excesses do not apply to claims directly caused by the following insured events;

- lightning, thunderbolt,
- riot and civil commotion,
- damage directly caused by impact by a vehicle, aircraft, waterborne craft, space debris, rocket, satellite, or a branch,
- tsunami and earthquake

However, where a claim is payable, we apply the increased excesses to any subsequent resultant damage such as rainwater entering any opening made by impact or looting subsequent to a riot.

---

The period of one hundred (100) consecutive days is calculated from the date when the home was last occupied regardless of the commencement or renewal date of the Policy.

## Section 9: Claims

This section describes what you must do, as well as conditions that apply when you make a claim and at the time loss or damage occurs which is likely to give rise to a claim.

### What you must do

- If an event happens which may give rise to a claim you must:
- take all reasonable precautions to prevent further loss, damage or liability,
- notify the police immediately if any of your property is lost, stolen, or maliciously or intentionally damaged,
- tell us or your financial services provider as soon as possible. You will be provided with a claim form and advice on the procedure to follow,
- supply us with all information we require to settle or defend the claim,

In an emergency outside normal business hours you may ring our emergency service on 1800 023387 for assistance.

If in doubt at any time, ring us or your financial services provider for advice.

### What you must not do

You must not:

- authorise repairs to or arrange replacement of any of the property insured in connection with any claim without our consent, other than emergency repairs necessary to prevent further loss. If we agree to pay your claim, we will pay for these repairs, but you must retain all receipts,
  - admit liability if an accident occurs which is likely to result in someone claiming against you.
-

## What we do

We may take over and conduct the defence or settlement of any claim or issue legal proceedings for damages. If we do this we will do it in your name. We have full discretion in the conduct of any legal proceedings and in the settlement of any claim. You must co-operate by giving us any statements, documents or assistance we require. This may include giving evidence in any legal proceedings.

## What can affect a claim

We will reduce the amount of a claim by the excess shown in the Policy Wording or on the Policy Schedule.

We may refuse to pay a claim if you are in breach of your duty of disclosure or any of the conditions of this Policy, including any endorsements noted on or attached to the Policy Schedule.

We pay only once for loss or damage from the same event covered by this Policy even if it is covered under more than one (1) section of the Policy.

We may be entitled to refuse to pay or to reduce the amount of a claim if:

- it is in any way fraudulent, or
- any fraudulent means or devices are used by you or anyone acting on your behalf to obtain any benefits under this Policy.

## Contribution & other insurance

You must notify us of any other insurance which will or may, whether in whole or in part, cover any loss insured under your Policy.

If at the time of any loss, damage or liability there's any other insurance (whether effected by you or by any other person) which covers the same loss, damage or liability you must provide us with any reasonable assistance we require to make a claim for contribution from any other insurer(s).

## GST

If you're a business you must tell us if you're registered, or are required to be registered, for GST. When you do this, we need you to give us:

- Your ABN
  - The percentage of any input tax credit you will claim, or
-

will be entitled to claim, on your premium.

When we pay a claim, your GST status will determine the amount we pay you. Your claim settlement amount will be adjusted to allow for any ITC entitlement.

Unless we say otherwise, all amounts in your Policy are inclusive of GST. There may be other taxation implications affecting you, depending upon your own circumstances. We recommend you seek professional advice.

### **Lifetime guarantee on home repairs**

We guarantee that if we have:

- selected and directly authorised or arranged for a repairer to replace, repair or rebuild your home, and
- paid, or have a legal liability to pay, the supplier, repairer or builder directly for this work,
- and a defect arises in the lifetime of your home as a result of poor quality workmanship or use of incorrect or poor quality materials,

we will rectify the problem by arranging, directly authorising and paying for further replacement, repair or rebuilding.

We will also handle any complaint about the quality or timeliness of the work or conduct of the repairer as part of our complaints handling process.

This guarantee does not apply to:

- home replacement, repairs or rebuilding that you arrange, authorise or make yourself (even if we give you the name of a possible supplier, repairer or builder who is involved with the repair), or
  - home replacement, repairs or rebuilding that you arrange, authorise or make yourself (even if we give you or a supplier, repairer or builder a cheque for all or part of the repair cost), or
  - loss, damage or failure of any electrical or mechanical appliances or machines that form part of your home, or
  - wear and tear consistent with normal gradual deterioration of your home (e.g. paint peeling off as part of its normal life cycle, wood rotting or mould from moisture in the air or ground, roofs weathering or a hot water system leaking as a result of normal gradual deterioration).
-

## **Preventing our right of recovery**

If you've agreed not to seek compensation from any person liable to compensate you for loss, damage or liability covered by your Policy, we won't cover you for that loss, damage or liability.

## **Providing proof**

You must be able to prove to us you've suffered a loss covered by your Policy before we'll pay you for it. We may ask you for this proof if you make a claim under your Policy. So your claim can be assessed quickly, make sure you keep the following:

- receipts or other confirmation of purchase;
- valuations; and
- photographs of items in the home.

## **Salvage**

We're entitled to obtain and retain any items or materials salvaged or recovered after you make, and we agree, to pay a claim by replacing or paying to replace any items or materials. We may sell the items or materials and keep the proceeds. We may choose to sell the items or materials to you, provided you agree to pay market price .

## **Subrogation, recovery action & uninsured loss**

We may at any time, at our expense and in your name, use all legal means available to you of securing reimbursement for loss or damage arising under your Policy. In the event we do so, you agree to give all reasonable assistance for that purpose.

If you've suffered loss that wasn't covered by your Policy as a result of the incident, we may offer to attempt to recover this. You may also specifically ask us to recover this for you. You'll need to give us documents supporting your loss. Before we include any uninsured loss in the recovery action we'll also ask you to agree to the basis on which we'll handle your recovery action. You may need to contribute to legal costs in some circumstances.

---

## Section 10: Other terms

These other terms apply to how your Policy operates.

### **Cancelling your Policy**

You can cancel your Policy at any time by telling us. If there are other people named as insured on your Policy, we only need a request to cancel it from one of you.

We may cancel your Policy in any of the circumstances permitted by law (eg failure to pay the premium by the due date) by informing you in writing.

We'll give you notice in person or send it to your address (including an electronic address) last known to us.

If you've paid your premium in advance, we'll refund you the proportion of the premium for the remaining period of insurance, less any administration fees.

### **Changing your Policy**

Changes to this Policy only become effective when we agree to them and send you a new Policy Schedule detailing the change.

### **Joint and co-insureds**

If more than one person is insured under your Policy, we'll treat a statement, act, omission, claim, request or direction by that person as having been made by all insured.

We only need a request from one person insured to cancel or change your Policy.

### **Notices**

Any notice we give you will be in writing, and will be effective once it's delivered to you personally or to your last known address (including when it's an electronic one).

It's important for you to tell us of any change of address as soon as possible.

## STEP 3 Other things to consider

### Limits

This policy has restrictions that limit your cover for certain events and items, for example, limits apply to some items as outlined in the section 'Contents where a maximum limit applies'. For example, for jewellery and watches, \$5,000 per item and in total 25% of the sum insured for contents. You may obtain higher limits for these items by having them specified on your policy schedule. To find out these limits you need to read the PDS and other relevant policy documentation.

- You set the maximum level of cover and the insurer may provide you with some agreed extra cover above that amount (*Sum insured plus safety net*).

\* the insurer may provide some cover above this amount.

When working out how much cover you need for your contents, ensure that you value your possessions correctly. To do this you could start by listing all your contents and working out how much it would cost to replace them.

A failure to adequately insure your contents for their replacement value may result in underinsurance.
